

DATA SHARING AND USE AGREEMENT BID PROJECT AF2015-0042-NAC

Project: *Towards a red list of the globally threatened plants of guinea project*

We the undersigned partners of the **BID-AF2015-0042-NAC** project “***Towards a Red List of the Globally Threatened Plants of Guinea project***”

1. Agree that all plant specimen data gathered and databased by us on the plant species records in Guinée, once it has been fully assembled and verified, will be freely shared among us, the BID partners listed below, and that;
2. for non-commercial purposes it may be used by any or all of the current BID project partners free of charge;
3. Furthermore, all data collected will be shared with GBIF through the national node of GBIF Guinee, represented by project partner **Saïdou DOUMBOUYA (COSIE-MEEF)** and also with **RBG, Kew (represented by Martin CHEEK)**;
4. The National Herbarium of Guinea (**HNG-Univ. Abdel Gamal Nasser, Conakry**) will be the central collection point for the data.
